BOOK SYNOPSIS

Kyon Ensin finally has what hes always wanted: possession of Kricket Hollowell, the priestess who foresees the future. Together, their combined power will be unrivaled. Kricket, however, doesnt crave the crown of Ethar--she has an unbreakable desire to live life on her own terms, a life that she desperately wants to share with her love, Trey Allairis. As conspiracies rage in the war for Ethar, Krickets so-called allies want to use her as a spy. Even those held closest cannot be trusted--including Astrid, her sister, and Giffen, a member of a mysterious order with a hidden agenda. But Krickets resolve will not allow her to be used as anyones pawn, even as the Brotherhood sharpens its plans to cut out her heart. As the destiny prophesied by her mother approaches, Kricket will backtrack through her fiery future to reshape it. For she knows one thing above all else: the only person she can truly count on is herself.
