BOOK SYNOPSIS

Winner of the 2014 Silver Nautilus Award Are You Ready for Your Life Reimagined Moment? Are you at a point in your life where youre asking, "Whats next?" Youve finished one chapter and you have yet to write the next one. Many of us face these transitions at midlife, but they can happen at any point. Its a time full of enormous potential, and it defines a whole new phase of life. Its called Life Reimagined. Here is your map to guide you in this new life phase. You can use the powerful practices and insights—enhanced with online tools and exercises at AARPs LifeReimagined.org website—to help you uncover your own special gifts, connect with people who can support you, and explore new directions. Youll be inspired by meeting ordinary people who have reimagined their lives in extraordinary ways. Youll also read the stories of pioneers of the Life Reimagined movement such as Jane Pauley, James Brown, and Emilio Estefan. They show us that this journey of discovery can help us find fulfillment in surprising new places. One of the profound truths that underlies this book is the liberating notion that each of us is "an experiment of one," free to find our own path in this new phase of our lives.
