BOOK SYNOPSIS

With its clear and engaging writing style, PRINCIPLES OF MACROECONOMICS, Seventh Edition, continues to be one of the most popular books on economics available today. Mankiw emphasizes material that you are likely to find interesting about the economy (particularly if you are studying economics for the first time), including real-life scenarios, useful facts, and the many ways economic concepts play a role in the decisions you make every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
