BOOK SYNOPSIS

In this final installment of the Parched novel series, the world has certainly been changed--and not for the better. The sun has disappeared and the Evil, by way of Lario Exgesis, has been successful in creating a deadlier vampire species. Fortunately, the Daughters of Benel and Sons of Gogulon were created specifically for these times and they will not quit fighting until theyve landed the crushing blow and supplant Lario Exgesis's plan to rule the Earth.
